Welcome to Cape May County Library's annual reading challenge! Not familiar with reading challenges? It's simple! Here's how it works: Throughout 2025, choose books that fall into the categories below and enjoy them. Next, write down the titles and submit a completed form to win a prize. That's it!

Read or listen to your books any way you'd prefer - we aren't picky. Can you use a single book to fulfill more than one category? Yes! We suggest that you choose some books that you haven't read before. It's good to try new things and we have plenty of books to offer. There are no age requirements - everyone is encouraged to participate!

Have a great year and happy reading!
